Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In order to comply with 37 CFR 1. 97 and 1.98, attached hereto is Form PTO-1449 and copies of the documents listed thereon.

Applicants respectfully request the Examiner's consideration of the cited reference and entry into the record of this application and that it be cited of record in the prosecution history of the present application by initialing Form PTO-1449 next to the document. Such initialing is requested even if the Examiner does not consider a cited document to be sufficiently pertinent to use in a rejection, or otherwise does not consider it to be prior art for any reason, or even if the Examiner does not believe that the guidelines for citation have been fully complied with. This is requested so that each document becomes listed on the face of the patent issuing on the present application.

The present Information Disclosure Statement is being submitted in compliance with 37 CFR 1.56, but the citation of such document is not to be construed as an admission that such document is necessarily relevant or prior art. No representation is intended that the cited documents represent the results of a complete search, and it is anticipated that the Examiner, in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 CFR 1.104 and, in the course of each search, will review for relevance every document cited on the attached form even if not initialed.

The present Information Disclosure Statement is being submitted after a First Action, but prior to a Notice of Allowance or Final Rejection. Pursuant to 37 C.F.R. 1.97(e), it is certified that the none of the presently disclosed documents were known to the applicant or any party representing the applicant, or were cited in a communication from a foreign patent office in a counterpart foreign application more than three months prior to the date of submission of this Information Disclosure Statement. Accordingly, no additional fee is required for consideration of these documents. However, in the event that additional fees are due for consideration of these documents, the Commissioner is hereby authorized to charge such fee to deposit Account No. 50-0521.

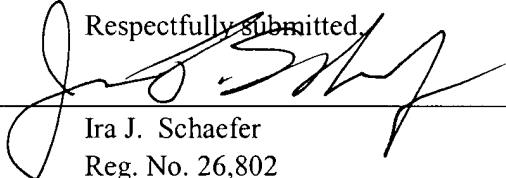

**CONDITIONAL PETITION FOR EXTENSION OF TIME**

If any extension of time for this response is required, applicant requests that this be considered a petition therefor. Please charge the required Petition fee to Deposit Account No. 50-0521.

**ADDITIONAL FEE**

Please charge any insufficiency of fees, or credit any excess to our Deposit Account No. 50-0521.

Date: October 8, 2003

Respectfully submitted,
